

HO LING MUN

**My favourite book is ... THE FIVE PEOPLE
YOU MEET IN HEAVEN**

What is the book about?

The book is about a man who dies in an accident. Before he dies he tries to rescue a little girl from a falling cart. He awakens in the afterlife. Where he meets five people. These people may have been loved one or distant strangers. Yet each of them changed the path of the man forever.

The reason I liked reading it ...

This book inspires me to think about "the meaning of life". People we meet each day may have changed our paths and we may not have thought about it. We should treasure the people we come across in our life because "loving and caring" is the meaning of life.

What character in the book would I wish to be?

Why?

I wish to be “ Eddie ” who is the man meeting Five People
in Heaven.

“ the five people you meet in Heaven ”
