

## Scrooge's Christmas Card

2D Moon Tong

Dear Bob,

How are you? I am fine. I'm writing this Christmas card to you because I want to apologize for what I have done to you.

I felt sorry for not giving you much money. You have a poor kid. I think you didn't get him enough food to eat, and money to see the doctor. I felt so sorry that I didn't celebrate Christmas with you. Do you like eating turkey?

Three ghosts visited me and gave me a lesson last night. They brought me back to my teenage life and I realized that I was so stupid. I lost my true love because I loved money more than anything. I knew I would die alone.

Now, I've learnt how to be a happy and grateful man. I promise you that I will be nice to people. I don't want to be a mean old miser anymore. For sure, I will raise your salary. Aren't you happy?

I feel sorry for what I have done. I hope you will forgive me and wish you happy every day.

Love,

Scrooge

Teacher's Feedback : A very touching apology letter. Good to use questions to make the writing more lively. (Miss Amy Lai)
