

# A Complaint Letter

3A Amy Tang

Dear Sir,

I am a Yau Yat Chuen resident, and I am writing to complain about my neighbour.

My neighbour always makes noises at night and plays heavy metal music all day. I am very annoyed with it, and I tried to advise them to lower the volume and keep quiet at night. They never listened. In some extreme cases, I cannot watch TV and I have to turn it to a high volume. It may affect my ears.

They have a 'crazy' dog. The dog always barks and sometimes it barks at us. I think it is annoying and rude for them to keep a dog without controlling its behaviour.

I cannot pay attention on my homework because I have not slept well. I must get up early and go to school early in order to prepare for my lesson.

I wish that my neighbour could care about my feelings and be considerate.

Yours faithfully,

Amy
