Hello Charlotte,

How are you? My name is Ken Wong. I am 14 years old. I live in Shek Kip Mei. I often practice basketball with my classmate after lunch. I want to join the Basketball Team. My idols are Boyz because they are very handsome. There are three members in my family. They are my parents and me. But I want to have a brother.

I go to Chan Shu Kui Memorial School. My class is 1B. There are 42 members in my class. They are all very kind and clever. Our class teacher is Miss Ho. She is very good-looking and helpful. Everyone loves her. My Maths teacher always tells us funny stories and jokes in class. He is hilarious! But he's kind of fat. Every teacher gives us much homework. But I think it is so easy. Can you tell me about yourself?

Write back soon.

Ken Wong
