

A Diary Entry

1C Wong Ka Man

Dear Diary,

In the morning, I went to Lamma Island. We went there by bus and then by ferry. I looked around the island and all the plants were flourishing. Then we went to the beach and picked up some shells. If I had brought my swimsuit, I could have swum.

In the afternoon, we spent two hours going to the hill top. On the way, we could see the boundless sea. I know there is a long history from the Old Stone Age till now. After we arrived at the hill top, we saw a special tree. I forgot its name in English.

In the evening, we went down the hill. Suddenly, we saw a temple, so we went inside. After that, we ate dinner by the sea. We had shrimps, fish and rice. Finally, we went back home. I really had a good day.

Good night, Diary.

Teacher's Feedback : A variety of vocabulary is used in the diary entry. The content is clear and well organized. (Miss Chan Lai Yee)

Food For Thought : Outings are a good way to relax ourselves. Besides, it is also a good way for us to learn more about nature. Do you agree?
