

## My Personal Profile

1A Keith Lam

Hello! I am Keith. I am 13 years old. My favourite food is fish balls and my favourite sport is football.

There are four members in my family. They are my father, my mother, my brother and me. My mother is a housewife. She is very hard-working and she always makes the house a clean and tidy home. The food she cooks is very yummy and I like to eat it very much. My brother is a primary school student and I always help him with his homework.

I study at Chan Shu Kui Memorial School. The school is very big and beautiful. I love my school. I am on the school football team, running team and marching band. I love those activities.

My best friend is King and he always plays football with me. In his free time, he plays online games with me. I like playing with him because I always win.
