

A Person I Admire

2B Cheung Ngan Sau

The person I want to write about is Kelly Chan, who is a famous singer and actress in Hong Kong. She is slim and tall with long dark hair. Kelly is now 38 years old and is married with two children.

I have chosen to write about Kelly because she is a very nice and sympathetic person. She cares about and loves the people around her. Kelly never makes fun of the poor. She likes donating money to the poor children and does charity work.

I also admire her for being optimistic. When she encounters any difficulties, she will do her best to deal with them. Kelly would not give up in the face of obstacles as she can always think of the bright side of things.

I think we can all learn from Kelly Chan that we should always try our best to care for and to help those in need.

Teacher's Feedback : You have described Kelly Chan in detail, especially her personality. You have demonstrated a good use of vocabulary. (Miss Lai Ming Lee)
