Do you find your phone very slow when you browse websites?

Do you find the battery of your phone running out very fast?

Do you want to own a powerful smartphone?

If all your answers are 'yes', then you will definitely want an **iPhone 5Z**.

Now you may find you can't watch the videos smoothly on public transport. Our phone is a 4G gadget, so you can use any functions, including watching HD videos, anytime and anywhere. Now the photos you take may be of bad quality. The pixel of our camera is very high, so you can take a lot of HD photos.

Our phone is water-proof, so you can record a video under the sea in summer. The phone case is very colourful and the battery is long-lasting. How can you miss such a fashionable and multifunctional smartphone?

The price is surely affordable to everyone. Order your **iPhone 5Z** today and get an extra battery for free.

Teacher's Feedback : You have used a very persuasive and convincing way to describe the functions of the smartphone in your advertisement. The idea of having a powerful smartphone impresses me a lot and I would consider buying one! (Mr. Wong Kai Cheung)
