

Anti-drug Concert

3E Vanessa Ho

Dear Mr. Lam,

I am the president of the Student Union of Chan Shu Kui Memorial School. Our school is organizing an anti-drug concert and I am writing to invite you to be our guest of honor.

The concert will be held on 28th May at 4 p.m. in our School Hall. The purpose of our concert is to raise students' awareness of teenage drug abuse.

Nowadays, more and more teenagers are abusing drugs, but they do not know how serious the problem is. Drug abuse will affect their health and cause fatal consequences. There is a true story in Hong Kong: A secondary 3 student started taking drugs because all of her friends were drug addicts. Once she tried the first pill, she could not stop it. At last, her bladder was so seriously damaged that she became very weak. She had to go to toilet every 15 minutes. Hence, we can see that teenage drug abuse is a worrying problem in Hong Kong.

To prevent teenagers from taking drugs, we would like to invite you to share with us some health messages as you have a very positive image among teenagers. We believe that you could encourage our students to say no to drugs and help them to develop a healthy and drug-free lifestyle.

At last, we sincerely hope that you could join us in spreading the message of drug abuse prevention and support our concert. We are looking forward to receiving your favourable reply.

Yours sincerely,
Jenny Chan
President, Student Union
Chan Shu Kui Memorial School
