

## A Horrible Zoo

2E Wong Sze Nga

Dear Sir/Madam,

I am writing to complain about the cruel treatment towards the animals in your zoo. I am so worried about their well-being.

My first complaint concerns the poor living conditions of the animals in your zoo. Last week, I visited your zoo and I was appalled to see that about twenty monkeys were kept in a small cage. It was very smelly as there was a lot of garbage in the cage!

Another problem was that the animals were treated badly. Some animals were beaten by the zoo keepers. They were badly hurt. Besides, some animals were just skin and bones because they were not fed properly.

What made matters worse was that the zoo keepers were very lazy. Some just hid in the toilets and played with their mobile phones. Worse still, some just ignored the visitors who harassed the animals.

This situation made me very upset. How would you feel if you were one of these animals? Can you imagine their feelings?

I urge you to look into the matter immediately. If you do not handle my complaint seriously, I will have no choice but to inform the Agricultural and Fisheries Department about the situation.

Yours faithfully,  
Chris Wong
