

陳樹渠紀念中學

Chan Shu Kui Memorial School

Circular Ref. No. : S16/17-034

4 October 2016

To: All Parents

'Continuous Assessment Scheme'

A lot of attention is placed in students' examination results, but students' consistent efforts in their learning process is also highly regarded. A **'Continuous Assessment Scheme'** is implemented for giving recognition to what students have done in the process of learning. The continuous assessment will take in various forms, such as tests, assignments and performance in the lesson, in accordance with the different needs of assessing in each individual subject area. The non-exam marks generated from the **'Continuous Assessment Scheme'** are counted as parts of the overall results, which will determine if students are to be promoted or detained for the coming academic year. The promotion criteria are clearly listed on page 14 in the student handbook.

Enclosed are the details of the **'Continuous Assessment Scheme'** to be implemented in the first and the second term of this academic year. The total marks and the percentage of each assessment are listed accordingly. It is hoped that parents could have a quick reference to each assessment with this attachment, and would give your child the best supervision in preparing for the assessments. For any queries, please contact your child's class teacher at 23800241.

Thank you very much for your kind attention and action.

CHUI SZE MING
Acting Principal
