

學校通告編號：S17/18-041

持續性評估計劃

敬啟者：本校向來重視學生之考試成績，亦關注學生在學習過程中累積的成果，故設有「持續性評估計劃」（持續性評估分數即平時分）。各科因應本科的學習特色，採取多元化及持續性的評估（如測驗、功課及上課表現等），並將成績計算在考試成績總分內。持續評估的分數會直接影響學生的升級情況，升級標準已詳列於學生手冊第十四頁。

隨函附上全年學業評估及第一、二學期各科持續性評估的給分項目與佔分比例等資料，敬希 台端仔細參閱，並督促 貴子弟努力學習。

如有查詢，請致電 2380 0241 與班主任聯絡。

Circular Ref. No. : S17/18-041

21 September 2017

To: All Parents

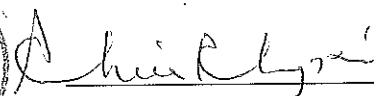

'Continuous Assessment Scheme'

A lot of attention is placed in students' examination results, but students' consistent efforts in their learning process is also highly regarded. A '**Continuous Assessment Scheme**' is implemented to give recognition to what students have done in the process of learning. The continuous assessment will take in various forms, such as tests, assignments and performance in the lesson, in accordance with the different needs of assessing in each individual subject area. The non-exam marks generated from the '**Continuous Assessment Scheme**' are counted as parts of the overall results, which will determine if students are to be promoted or detained in the coming academic year. The promotion criteria are clearly listed on page 14 in the student handbook.

Enclosed are the details of the '**Continuous Assessment Scheme**' to be implemented in the first and the second term of this academic year. The total marks and the percentage of each assessment are listed accordingly. It is hoped that parents could have a quick reference to each assessment with this attachment, and would give your child the best supervision in preparing for the assessments. For any queries, please contact your child's class teacher at 23800241.

Thank you very much for your kind attention and action.

  
Dr. CHIU Cheung Ki  
Principal
