### Learning Situation Declaration Form

Under the implementation of inclusive education, the Education Bureau (EDB) aims to help students with special education needs (SEN). Starting from the 2019-20 school year, direct subsidized schools will receive a Learning Support Grant according to the number of SEN students there are at the schools. With this grant, schools can provide more learning support to these students and boost learning effectiveness.

We now request that parents complete the Learning Situation Declaration Form below for the school to gather more information about the number of SEN students. Please return the form to your child's class teacher on or before 15 May, 2019.

For enquiries, please contact Ms SO Shuk Man or Mr TSE Tak Chun at 2380-0241. Thank you very much for your assistance.
