Use of Mobile Phones

Students should not use their mobile phone on campus. In the event of emergencies, students may use the phone in the school office to contact their parents. Under special circumstances, students may be granted permission to bring their mobile phones to school. Parents must seek approval from the School by filling the form on page 38 of the student's handbook explaining why a mobile phone is needed.

Should students be found using their mobile phones in school, they will receive a bad mark, their phones will be confiscated and can only be retrieved by parents.

Thank you for your cooperation.
